My name is Rhian and I am the Spa Therapist, I am very excited and privileged to be offering you my therapies in such a luxurious and idyllic setting. I qualified as a beauty therapist back in 2000, I then furthered my experience by doing a HND in Holistic Therapies and Applied Science in 2006. I'm fully insured and a member of the Federation Of Holistic Therapies.

I started my career as a therapist in London, working in one of the top health and fitness centre's in the U.K gaining much experience as I could. As well as working with world wide product lines such as Clarins, Decleor, Guinot, Gatineau, Jan Marini, Thalgo, Espa and many others. Following this I went to Australia to work as a travel representative for the Clarins sale team. In 2009 I decided to return to Wales, where I was born and bred. Setting up my business Beauty On The Move as a mobile therapist, later opening Pure Indulgence.

I'm very lucky to have chosen a career I love and have much passion for, and I am currently studying towards becoming a personal trainer, as my hobbies are all fitness orientated. I'm really looking forward to establishing myself at Aqua Serena, performing my very own therapies, giving guests an unforgettable and relaxing experience.

To make an appointment or for any information please call Rhian or visit my Facebook page - to take a glance at all the monthly offers and updates.
